## Summer Term 2024 Term Newsletter

### **Welcome to Summer Term in Reception!**

**Reception Team:** Mrs Horton, Miss Massey, Mrs Mullen, Mrs K Kohler, Mrs Sutton, Mrs Stokes, Mrs Rossental, Mrs Salisbury, Mrs Dickinson, Mrs Raoff **Early Years Foundation Stage Phase Leader:** Mrs Newman

### **Our Curriculum:**

(Curriculum Overviews can be accessed on the school website)

#### **Personal, Social and Emotional Development.**

We will be developing relationships and working on holding conversations, asking, listening to and answering questions. We will be talking about respect and collaborating with others.

#### **Literacy and Communication & Language**

The children's literacy skills are developing well. Most children know all their letter sounds taught in Reception. We will be continuing to learn how to use this knowledge to read and write more complex words. We will also be continuing to learn and spell tricky key words. During this Summer Term, the children will work on extending their writing and using full stops, capital letters and finger spaces.

#### **Maths**

We will be continuing to develop our understanding of number. We will be developing our calculating skills and doing lots of addition and subtraction, doubling and halving. The children will continue to learn number bonds within ten and ensure that they are recording numbers correctly.

#### **Understanding the World.**

We will be looking at stories. These will be in the form of Traditional tales such as 'The Three Little Pigs' and 'The Three Billy Goats Gruff'. We will also explore Bible stories from the Old Testament (Creation, Noah, Jonah, Joseph and David and Goliath). The children will be encouraged to retell the stories orally and to develop their own stories based on this theme. We will also be looking at materials which are used for building. The children will sort and classify them and carry out their own science investigations about different materials.

#### **Expressive Arts and Design**

We will be looking at different characters who could live in a fairy tale castle. The children will make up stories and experiment with different types of materials relating to these stories. The children will re-enact and adapt many traditional tales through their play. The children will be investigating changing states of matter, by making porridge and bread.

#### **Physical Development**

During PE we will be looking at team games and athletics. For our intra-sport challenge, we will be concentrating on over arm throws, and participating in a 'mini marathon'.

We will also be continuing to use tools such as hole punches, scissors and tweezers to develop fine motor skills.

### **Summer Term Focus Themes: Once Upon a Time/See How I Grow.**

**Reading:** In order to become competent readers, children need to **read regularly at home** and school. Parents are asked to read to their children stories, nursery rhymes and interesting books to help their child develop a love of books.

Children will have their reading book changed once a week on **Friday**. Please ensure that your child brings their reading book and reading diary everyday. We ask parents to sign and date reading diaries every time you hear your child read, including reading books, harder to read words and phonics sounds (we expect a minimum of **four** entries/comments a week).

Please help your child recognise the letters and sounds and practice reading regularly to establish a routine and help your child develop fluency. On the school website in the section 'Parents' under the tab 'Videos' there are two videos to help you pronounce each of the phase 2 and 3 phonic sounds (scroll to the bottom of the page).

All children will have the opportunity to read a variety of high-quality texts in class, including 'Reading for Pleasure' books, and 'Related Reads', which are linked to their focus theme.

Anything that you would like to share and celebrate with school, regarding reading, can be emailed to [enquiries@saintwilfrids.wigan.sch.uk](mailto:enquiries@saintwilfrids.wigan.sch.uk)

We are continuing to use 'Evidence Me' for you to upload and share with us achievements and skills that your child achieves at home and for us to share some of their learning in school. Please contact your child's class teacher if you do not have a log on.

This term we would love to see pictures and videos of your child engaging in physical activity such as going to the park, riding their bike or visiting a play centre.
