We will end the Summer Term by revising time and measuring lines, using centimetres.

English: This term in English we will be looking at information texts, poems, letter and story writing. We will be reinforcing the correct use of punctuation, including full stops, capital letters, exclamation marks and question marks. In Year 1, we will be practicing correct letter formation and extending sentences using conjunctions. We will be continuing to practice our phonics sounds in daily phonics lessons. In reading we will focus on comprehension, questioning and inferences.

Religious Education: The children will be learning about Baptism and continue to learn stories from the Bible.

Science: Year 1 will be identifying, comparing and categorising common animals. We will be learning about the parts of the human body and our 5 senses. We will also be continuing our seasonal changes observations.

Home Learning: All home learning is now set via Purple Mash. Please make sure that your child checks 2email in Purple Mash for information about home learning.

Spellings: Children will be given a spelling list for each half term and will be tested every Monday.

Reading: In order to be competent readers, children need to read regularly at home and school. Parents/carers are asked to encourage their children to read regularly and to read for pleasure.

We ask parents/ carers to sign and date reading records every time you hear your child read (we expect a minimum of **four** entries/comments a week). This is an ideal opportunity to question your child on their understanding of the text, to improve their comprehension skills and vocabulary. Reading records must be brought into school on your child's allocated day, for teachers to monitor.

Children will be sent home with two books a week. One is a reading book based on their reading level. The second book is based on the phonics sounds they have learned that week. Please ensure both books are returned to school to be changed each week.

All children will have the opportunity to read a variety of high-quality texts in class, including 'Reading for Pleasure' books, and 'Related Reads', which are linked to their focus theme.

Maths: Children in Year 1 to 6 have got access to **TT Rockstars**, a math's programme focusing on multiplication tables [link](#). Please encourage your child to this online programme on a regular basis. If you do not know your child's username and password, please contact enquiries@saintwilfrids.wigan.sch.uk stating your child's full name and class.
